Experience Music Project: Period 3

What are we learning this week?

Students will be creating GarageBand projects on MacBooks using a combination of loops and drumming

Why are we learning this?

GarageBand is a great tool for students to understand relative styles, tempo, and creating music with technology.

How do we know we are learning this?

Students will create full loop projects that will be turned in at the end of two weeks, showing understanding of different loops and timing.

Monday

-Students download GarageBand and loops onto computers.

Tuesday

-Students learn about “drummer” and creating different types of beats using different drummers and beats

Wednesday

-Students will hear different drum beats and try to create different sounds. **Thursday**

-Combine drum beats with loops.

Friday

-Present loop and drummer projects to the class.

Monarch Men: Period 6

What are we learning this week?

Students will learn about vocal health in the classroom.

Why are we learning this?

With the many activities students are involved in at school, students must be aware of how to take care of the voice.

How do we know we are learning this?

Presentations over different repertoire and the human voice will be presented in the classroom.
